

# RAIL SAFETY WEEK

Building Safety Together

Never assume equipment is isolated  
always test before you touch.

Never work or drive whilst under the  
influence of drugs or alcohol.

Always obey the speed limit and wear  
a seat belt.

Never undertake any job unless you  
have been trained and assessed as  
competent.

Always test before applying earth or straps.

Never use a hand-held or hands-free phone, or programme any other mobile device, while driving

Always use a safety harness when working at height, unless other protection is in place.

Always use the equipment that is fit for its intended purpose.

Never enter the agreed exclusion zone, unless directed to by the person in charge.

Always be sure the required plans and permits are in place, before you start a job or go on or near the line.
